It is the Auxiliary’s mission to support Cape Cod Hospital by promoting and expanding its facilities, services and programs to the highest quality through volunteerism and philanthropy.

Volunteerism

Members are the mainstay and the reason for the success of the Auxiliary’s fundraising efforts. Beyond the dollar amounts raised are the thousands of volunteer hours donated each year to patient services, fundraising tasks, education and health promotion.

If you are interested in helping others, we would like to have you become a member of our Auxiliary. For more information, please call 508/862-5088 or visit www.CapeCodHospitalAuxiliary.org.
What is the Auxiliary?
The Cape Cod Hospital Auxiliary, first known as the Cape Cod Hospital Aid Association, was formed in 1942 by a small group of dedicated women committed to helping the hospital. After World War II, the Auxiliary organized into “Village” Branches.

Today, the Cape Cod Hospital Auxiliary continues as a volunteer organization with over 350 members who comprise three area branches and the Cape Cod Hospital Thrift Shop. We are governed by a Board of Directors consisting of Executive Officers, Chairs of each Branch and the Thrift Shop, and Standing Committee Chairs.

The Auxiliary is an integral part of Cape Cod Hospital, a not-for-profit hospital located on the harbor in Hyannis, Massachusetts. Named one of America’s Top 100 Hospitals, Cape Cod Hospital is a 259-bed acute care regional medical facility with more than 1,700 employees and 300 physicians on staff.

Fundraising
Fundraising is an ongoing and vitally important function of the Auxiliary. Monies raised help Cape Cod Hospital purchase equipment, build new facilities and enhance existing centers of excellence - all to better serve the Cape Cod community and its visitors.

Having raised more than $8 million dollars to date, the Auxiliary remains as dedicated and instrumental as ever in the continuing operation of Cape Cod Hospital.

Within our branches, some of the fundraising activities and events include:

- Golf Tournaments
- Raffles and Auctions
- Card Parties
- Wine Tastings
- Annual Holiday Fundraisers such as the Holiday Greens Sale, February Chocolate Extravaganza, Holly Berry Bazaar (Orleans), and Easter Basket Sale

Each year, dozens of Auxiliary fundraising activities and events provide Cape Cod Hospital with financial support to help ensure the best possible health care for the entire Cape Cod community.

We are very proud of our Auxiliary and its history.
