16. The PFAC is undertaking the following activities to ensure appropriate representation of our membership in comparison to our patient population or catchment area:

We try to recruit from the areas that are primarily served by our hospital, and will look for new members from a specific location if our representation becomes skewed by resignations.

Section 4: PFAC Operations

17. Our process for developing and distributing agendas for the PFAC meetings (choose):

- Staff develops the agenda and sends it out prior to the meeting
- Staff develops the agenda and distributes it at the meeting
- PFAC members develop the agenda and send it out prior to the meeting
- PFAC members develop the agenda and distribute it at the meeting
- PFAC members and staff develop agenda together and send it out prior to the meeting. (Please describe below in #17a)
- PFAC members and staff develop agenda together and distribute it at the meeting. (Please describe below in #17a)
- Other process (Please describe below in #17b)
- N/A – the PFAC does not use agendas

17a. If staff and PFAC members develop the agenda together, please describe the process:

Following each meeting, any issues that are identified or discussed at that meeting will be included on our next meeting's agenda. Our patient/family members also request agenda items that they would like to know more about. Prior to the meeting, the staff co-chair works with the patient co-chair to formalize the upcoming meeting's agenda. The agenda is distributed along with any supporting materials prior to the meeting.

17b. If other process, please describe:

18. The PFAC goals and objectives for 2017 were: (check the best choice):

- Developed by staff alone
- Developed by staff and reviewed by PFAC members
- Developed by PFAC members and staff
- N/A – we did not have goals for FY 2017 – Skip to #20

19. The PFAC had the following goals and objectives for 2017:

1. *Improve patient education and communication through targeted efforts.*
 - Patient Frequently Asked Questions*
 - Patient Resource Guide*
 - What to Expect at the CCH Emergency Center*
2. *Enhance patient engagement and participation*
 - Serve as a resource for Patient Experience Teams in various settings of care*
3. *PFAC Recruitment*
 - Recruit 3 – 5 new members*

20. Please list any subcommittees that your PFAC has established:

Quiet Rounds

21. How does the PFAC interact with the hospital Board of Directors (check all that apply):

Section 6: FY 2017 PFAC Impact and Accomplishments

The following information only concerns PFAC activities in the fiscal year 2017.

26. The five greatest accomplishments of the PFAC were:

Accomplishment	Idea came from (choose one)	PFAC role can be best described as (choose one)
<p>26a. Accomplishment 1:</p> <p><i>Our Quiet Rounds project was carried out during the fall of 2016. Four PFAC members were cleared and trained to visit with patients to have a conversation about noise and offer a “Quiet Pac” which included comfort items. PFAC members visited with patients during the months of September and October. Data were compiled and shared with all the PFAC members. Although the project was well-received by hospital staff and patients, it did not appear to have a positive change on our HCAHPS scores for “noise.”</i></p>	<input type="checkbox"/> Patient/family advisors of the PFAC <input checked="" type="checkbox"/> Department, committee, or unit that requested PFAC input	<input type="checkbox"/> Being informed about topic <input type="checkbox"/> Providing feedback or perspective <input type="checkbox"/> Discussing and influencing decisions/agenda <input checked="" type="checkbox"/> Leading/co leading
<p>26b. Accomplishment 2:</p> <p><i>Frequently Asked Questions for Patients, & Families.</i> The group was given the task to suggest a list of common questions that patients and families might have during an inpatient stay. The questions were refined, revised for reading level, and a shortened listing of FAQs was developed.</p>	<input type="checkbox"/> Patient/family advisors of the PFAC <input checked="" type="checkbox"/> Department, committee, or unit that requested PFAC input	<input type="checkbox"/> Being informed about topic <input type="checkbox"/> Providing feedback or perspective <input checked="" type="checkbox"/> Discussing and influencing decisions/agenda <input type="checkbox"/> Leading/co leading

<p>26c. Accomplishment 3:</p> <p><i>Provide feedback on "What To Expect During Surgery: A special guide for our patient's families and friends" – A booklet that was developed by our perioperative services was brought to the group for review and input. The booklet also became an "educational tool" for the PFAC members on the hospital's process for pre and post-surgical procedures.</i></p>	<p><input type="checkbox"/> Patient/family advisors of the PFAC</p> <p><input checked="" type="checkbox"/> Department, committee, or unit that requested PFAC input</p>	<p><input type="checkbox"/> Being informed about topic</p> <p><input checked="" type="checkbox"/> Providing feedback or perspective</p> <p><input type="checkbox"/> Discussing and influencing decisions/agenda</p> <p><input type="checkbox"/> Leading/co leading</p>
<p>26d. 27. The five greatest challenges the PFAC had in FY 2017:

27a. Challenge 1:

Recruit new members. Although our goal was to recruit 3 new members, this goal was not reached. We need to continue to work with hospital staff who might be able to identify prospective members.

27b. Challenge 2:

Have PFAC members involved in Process Improvement projects in various departments throughout the hospital. Although most of our members are employed during the day, in the past they have made themselves available to hospital teams to participate in staff projects. Members have not been called upon for their feedback or input in spite of PI projects that they could offer the patient's perspective on.

27c. Challenge 3:

27d. Challenge 4:

27e. Challenge 5:

N/A – we did not encounter any challenges in FY 2017

28. The PFAC members serve on the following hospital-wide committees, projects, task forces, work groups

Board committees:

- Award committees
- Co-trainers for clinical and nonclinical staff, in-service programs, and health professional trainees
- Search committees and in the hiring of new staff
- Selection of reward and recognition programs
- Standing hospital committees that address quality
- Task forces
- N/A – the PFAC members did not participate in any of these activities

32. The hospital shared the following public hospital performance information with the PFAC (check all that apply):

32a. Complaints and serious events

- Complaints and investigations reported to Department of Public Health (DPH)
- Healthcare-Associated Infections (National Healthcare Safety Network)
- Patient complaints to hospital
- Serious Reportable Events reported to Department of Public Health (DPH)

32b. Quality of care

- High-risk surgeries (such as aortic valve replacement, pancreatic resection)
- Joint Commission Accreditation Quality Report (such as asthma care, immunization, stroke care)
- Medicare Hospital Compare (such as complications, readmissions, medical imaging)
- Maternity care (such as C-sections, high risk deliveries)

32c. Resource use, patient satisfaction, and other

- Inpatient care management (such as electronically ordering medicine, specially trained doctors for ICU patients)
- Patient experience/satisfaction scores (eg. HCAHPS - Hospital Consumer Assessment of Healthcare Providers and Systems)
- Resource use (such as length of stay, readmissions)

- Other (Please describe: _____)
- N/A – the hospital did not share performance information with the PFAC – **Skip to #35**

33. Please explain why the hospital shared only the data you checked in Q 32 above:

Our PFAC was working on other specific projects to improve the patient experience. We will be adding more general presentations to our agenda in the future, such as a presentation on issues in our Emergency Center.

34. Please describe how the PFAC was engaged in discussions around these data in #32 above and any resulting quality improvement initiatives:

Quarterly Press Ganey HCAHPS data is shared with the group as new reports are available. Specific items or areas with low scores are discussed during these presentations.

35. The PFAC participated in activities related to the following state or national quality of care initiatives (check all that apply):

35a. National Patient Safety Hospital Goals

- Identifying patient safety risks
- Identifying patients correctly
- Preventing infection
- Preventing mistakes in surgery
- Using medicines safely

- Integration of behavioral health care
 - Rapid response teams
 - Other (Please describe _____)
- N/A – the PFAC did not work in quality of care initiatives

36. Were any members of your PFAC engaged in advising on research studies?

- Yes
- No – Skip to #40 (Section 6)

37. In what ways are members of your PFAC engaged in advising on research studies? Are they:

- Educated about the types of research being conducted
- Involved in study planning and design
- Involved in conducting and implementing studies
- Involved in advising on plans to disseminate study findings and to ensure that findings are communicated in understandable, usable ways
- Involved in policy decisions about how hospital researchers engage with the PFAC (e.g. they work on a policy that says researchers have to include the PFAC in planning and design for every study)

38. How are members of your PFAC approached about advising on research studies?

- Researchers contact the PFAC
- Researchers contact individual members, who report back to the PFAC
- Other (Please describe below in #38a)
- None of our members are involved in research studies

38a. If other, describe:

39. About how many studies have your PFAC members advised on?

- 1 or 2
- 3-5
- More than 5
- None of our members are involved in research studies

Section 7: PFAC Annual Report

We strongly suggest that all PFAC members approve reports prior to submission.

40. The following individuals approved this report prior to submission (list name and indicate whether staff or patient/family advisor):

Rosemarie Resnik, patient/family co-chair of CCH PFAC
Dr. Donald Guadagnoli, Chief Medical Officer
Deana Towns Kayajan, Executive Director, Patient & Family Experience

41. Describe the process by which this PFAC report was completed and approved at your institution (choose the best option).

- Collaborative process: staff and PFAC members both wrote and/or edited the report
- Staff wrote report and PFAC members reviewed it
- Staff wrote report
- Other (Please describe: _____)
